LIFE with HORSES
HEALING TOGETHER

JOIN OUR TEAM

We work with retired racehorses and help people with trauma using equine therapy. Our property is beautiful, calm and peaceful - 32km from Brisbane.

Your role:

Stable hands work with horses, keeping them clean, comfortable and cared for. Our horses are being rehabilitated off the track and need a lot of care so the equine relationships you develop are very important at Timbertops Park. You get back what you put in here - it can be a wonderful experience if you're prepared to do a little work.

We need help with:

- ✓ Morning and evening feeds and water
- ✓ Poop pick up
- ✓ Cleaning horses feet and grooming
- ✓ Polish tack, rake arena and round yard
